

LICENSE FOR METER SITE USE

This License for Meter Site Use ("License") is made effective the 1st day of October, 2008, ("Effective Date") by **CORONADO ENERGY E&P COMPANY, L.L.C.** ("Coronado"), 1001 Louisiana, Houston, Texas 77002, in favor of **DCP MIDSTREAM, LP** ("DCP"), 5718 Westheimer Road, Suite 1900, Houston, Texas 77057.

WHEREAS, under an unrecorded agreement with ExxonMobil, Coronado has earned certain rights and privileges as Lessee under certain Oil and Gas Leases covering the McGill Ranch, portions of which are located in the J.A.M. and AM Garcia Survey, A-2, Brooks County, Texas;

WHEREAS, Coronado, as Lessee, has the right and privilege to use the surface of the McGill Ranch, to explore, drill, operate and produce wells drilled on the McGill Ranch, and whereas Coronado Energy E&P's McGill #616 Well (the "616 Well"), which Coronado recently drilled, and the 30' x 30' meter station site more particularly described on the plat attached as Exhibit "A" to this License (the "Meter Site"), were provided for and permitted in accordance with such rights and privileges;

THEREFORE, pursuant to Coronado's lease rights under the above-referenced agreements, Coronado hereby grants DCP a non-exclusive license and the non-exclusive right to use the Meter Site for the installation of metering equipment and appurtenances (the "Facilities") related to DCP's measurement activities with respect to the new gathering pipeline to be installed by Coronado from the 616 Well to the existing DCP pipeline. Coronado also grants DCP a non-exclusive license and the non-exclusive right to ingress and egress to the Meter Site over and across existing roads per Coronado's lease rights. Coronado, the lessors, and the owners of the surface of the McGill Ranch also shall also have the non-exclusive right to simultaneously use the Meter Site and the right to such ingress and egress, pursuant to the above-referenced agreements.

After the final installation of the Facilities, DCP will have a survey performed and will provide Coronado with an "as built" plat accurately depicting the Facilities that DCP places on the Meter Site.

Coronado has signed this License by its duly authorized representative as of the Effective Date stated above.
